

Founded in 1976, Entreprise Robert Thibert Inc. is one of the largest distributors of automobile, RV and trailer accessories in North America. Through our dynamic growth strategy, RT will become a major player in the industry. Our vision of the future: a unique client experience, supported by a team of passionate professionals, focused on innovation, the continuous improvement of our practices, the development of distinctive private brands and a multichannel communication platform for the benefit of all of our partners.

Are you a passionate professional who wants to evolve in a team environment that is energetic, collaborative and innovative? We are looking for talented, enthusiastic and responsible collaborators who are looking for a new adventure in a successful and reputable company.

VEHICLE APPLICATION MANAGER

By exploiting different sources of information available on the market: customers, internet, events and data partners, the Vehicle Application Manager is the main source of information that allows Thibert to keep the list of vehicles, as well as the applicable products, up to date. In the era of digital transformation, data quality is essential and is the first contact with all internal and external customers. The Vehicle Application Manager will be called upon to be an important player in the Thibert customer experience as well as with our e-commerce partners.

Responsibilities

- Analyze new vehicles and identify changes made by manufacturers by comparing them with previous years;
- Analyze different industry data sources to ensure product data quality for Thibert vehicles;
- Coordinate the creation of new vehicles;
- Contribute to the sound management of vehicle technical information;
- Analyze, modify, standardize and enter technical data for all types of vehicles operating in North America;
- Filter, standardize and refine incoming data and data to be used by internal and external customers;
- Participate in increasing the added value of doing business with Thibert;
- Perform any other tasks complementary to the function.

Required skills

- Knowledge of the automotive industry (an asset);
- Good knowledge of MS Office (Excel) (an asset);
- Essential bilingualism (both oral and written).

You have skills that are not on the list, but you are convinced that you can help, because you:

- Enjoy browsing the WEB;
- Manipulate data and standardize it.

You work or have worked in an auto parts store/garage and want to try office work with a Monday to Friday schedule, but you hesitate, because you've never done it. Feel free to apply for this position! Our department is already diversified!

Why work at Thibert? We offer:

- A dynamic and pleasant working environment;
- Enjoyment working with passionate and competent people;
- Competitive salaries;
- Comprehensive group insurance (life insurance, disability, drugs, dental, paramedical);
- Group RRSP with employer participation.

If you think you have what it takes to join our team and take up the challenge, please send your resume to hr@rthibert.com. We appreciate all expressed interest in this position, however, only the candidates selected for interview will be contacted.
